Orders passed from time to time till 23rd April 1915, twenty one Associations are being supplied gratis with Copies of the Mysore Gazette. On 23 April 1915, the then First Member ~~Hon~~ passed an order that no further applications for free Copies should be granted and this direction has been followed since.

16 The only question now is whether the twenty one Associations referred to above should be deprived of the privilege of getting the Gazette free. There is no reason why they should be allowed to continue to enjoy it or why one kind of treatment should be accorded to them and a different one to other Associations that may apply hereafter. They may grumble but they can have no valid ground for complaint. They ought to be thankful that they were shown the Concession so long.

17 If it is decided to withhold the Concession it may be stated in the order that it would come into operation fifteen days after its issue. This will give the Associations sufficient time to subscribe for a copy, should they be so minded.

1ª Personally I think that the supply of the Official Gazette to reading rooms and associations (or at any rate to a certain number of them) conduces to wider publicity being given to the laws, notifications & orders of Government, than would otherwise be the case.

2ª But some consistent policy is needed in this matter; and if it be the final view of Govt that the Gazette should not be freely supplied, then I am of opinion that the concession already given to certain associations etc., should be withdrawn as suggested by the Under Secy, say, after the end of the year current.
